## Montana Pharmacist Milestones

The following pharmacists have served our profession honorably for 50 or more years, receiving their original Montana Board of Pharmacy license in the years between July 1, 1926 and July 1, 1954. These pharmacists and their predecessors have been instrumental in making pharmacy practice in Montana the respected profession it is today. Over the years they have been our friends, our mentors, and our heroes. We thank them for their many years of faithful service to the citizens of Montana, and for blazing a proud trail for the rest of us to follow.

### **Welcome to Bill Sybrant, New Compliance Officer**

A hearty welcome to our new Compliance Officer and technician Board member!

Bill Sybrant, a registered pharmacist in Montana and Idaho, has practiced retail pharmacy in Montana for the past 27 years. He is active in the Montana Pharmacy Association and various local and state boards as well. He has been married to Kathie for nearly 26 years and they have four children. He currently resides in Great Falls.

Bill comments: "For those of you out there that are worried or think that I am a spy for the board of pharmacy I have these thoughts for you. Any one that feels they are being spied upon, what have you got to hide? And for those that are worried, you shouldn't be if you are practicing the type of professional and ethical pharmacy that you agreed to when you became licensed by the board. In addition to verifying compliance with state and federal regulations, I view my job as that of a resource person and a facilitator that can help you with compliance issues. I hope that you call upon me and the board when you have compliance issues or questions. I look forward to meeting each and every one of you across the great state of Montana. Until then take care and God bless."

### **Welcome Jim Cloud, New Technician Board Member**

Jim Cloud, a certified pharmacy technician and independent pharmacy co-owner, has been appointed to a five-year term on the Montana Board of Pharmacy. The Board is now comprised of six members. Jim is co-owner and executive officer of Ridgeway Pharmacy in Stevensville, Corvallis Drug in Corvallis, and Timber Ridge Pharmacy in Hamilton. Jim and his wife, Cari, live in Stevensville and have two children. Jim commented, "I'm appreciative and excited about this opportunity, I look forward to representing both certified technicians and independent pharmacy owners in Montana."
